

BONE VOYAGE

DESCRIPTION

Alexander O'Brien, Harri Prasad, Hongyuan Wei, Peggy Wong

GAME CONCEPT

Play as a rolling skull trying to find their skeletal body, as you traverse the graveyard you hear a rustle from the bushes. Unfortunately, some dogs have set their eyes on you! Launch magical bones as you roll through the pack of puppies to satiate their need for bones – if you don't you'll end up as their next chew toy. Make your way through to find your body and be reunited at last...

GAME INCLUDES

4 levels each scaling in difficulty and 1 final boss level
Random spawning of dogs
Star bullet power-ups
Life system
Score system
Spooky bones

HOW TO PLAY

Use your mouse to move your character and press down on the left button to shoot a bone at the oncoming dogs. Be sure to avoid the puppies and when you reach the main boss remember you can't remove the red flames but the green ones can be hit and destroyed. Pick up star bullet powerups to shoot bullets in 4 directions. You can also pick up extra lives, be sure not to run out or it is game over! Press p on your keyboard to pause the game or to look at the instructions again. Press ESC to go back to the main menu.
